

Sixth Grade News
April 21 - 25, 2008

Week 33

Announcements: We only have one week before TAKS testing begins. Sixth graders will be taking the Math portion of the TAKS test on Tuesday, April 29 and the Reading portion on Wednesday, April 30.

Please encourage your child to get his / her AR points for the six weeks..... 20 points are required for the reward this 6 weeks.

May 16, 19, and 26 are student holidays.

Math: We will be working on the 2004 Released TAKS test in class

Science: We will begin Chapter 12: Fresh Water.

Language: We will continue working with subject / verb agreement. We will also be working with the contractions don't and doesn't.

Spelling: incomplete, informal, incorrect, independent, illegal, impolite, impossible, invisible, irregular, inexpensive, impure, inability, impatient, indigestion, indefinite, incredible

Literature: Review flashbacks and foreshadowing, writers style and tone, and making generalizations.

Social Studies: Continue with chapter 11, "Southwest Asia". Map of area due FRIDAY
